

DELETE GDC

DELETE GDC SAFE SPACES POLICY.

This event, Delete GDC, is created with the safety and security of our attendees as the utmost priority. The works on display deserve a safe environment for their short lifespans, and we value every attendee reading and adhering to this policy.

The most important thing we want you to know is that if something or someone makes you feel uncomfortable at one of our events, no matter how minor it seems, you can report it to us.

Harassment of attendees or staff at Delete GDC will not be tolerated and anyone violating this policy at our events may be expelled.

Harassment includes offensive verbal comments or attitudes related to gender, gender identity and expression, sexual orientation, disability, physical appearance, body size, race, religion; deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of the event, inappropriate physical contact, and unwelcome sexual attention. Participants asked to stop any harassing behavior are expected to comply immediately.

Please know that SK and the venue staff view neither ignorance or intoxication as an excuse for harassment.

If anyone engages in harassing behavior towards you, SK and venue staff will take any action they deem appropriate, including warning the offender or expulsion from the event. If you feel you are being harassed, notice that someone else is being harassed, or have any other concerns, please contact Louie Roots or a member of the venue staff.

The venue staff will be happy to help participants contact venue security or local law enforcement, provide escorts, or otherwise assist those experiencing harassment to feel safe for the duration of the event.

Whilst we would like to feel that we offer an environment in which you can voice concerns about incidents as and when they happen we also welcome you to reach out to us to inform us of past harassment or incidents related to our events which made you feel uncomfortable or unsafe. This includes previous SK events, and we welcome continuous feedback in that regard.

You can reach Louie Roots at louie@barsk.com.au. All communication related to this policy will be dealt with in confidence.
